LOCALE LIVE CENTRE

The background image shows a modern interior space. On the left, there is a potted plant with green leaves and small blue flowers. The wall behind it is dark and has a curved, ribbed texture. The floor is a light-colored, smooth surface. The text is overlaid on the left side of the image.

# WE JOIN INNOVATION AND TALENT TO OFFER YOU EXCELLENCE

A venue equipped with **cutting-edge technology** where we can carry out recordings, interviews, shootings, and everything that is within the reach of our client's imagination.

The venue is fully equipped with both the technical equipment and staff required to hold all kind of hybrid events and virtual meetings. Furthermore, we can develop the audiovisual content for your event in-house with resources tailored to your needs: augmented reality, holographic solutions, 3D graphics, etc.

Our multimedia studio also has auxiliary rooms for internal meetings or coffee breaks in addition to a private parking.

The image shows a modern event space. On the left, a wall made of vertical wooden slats is illuminated from below with blue light. A dark rectangular sign is mounted on this wall. To the right, a large curved wall in a deep blue color features a stylized white geometric logo and the text 'ESPACIOS ÚNICOS'. The floor is a smooth, light-colored material. A small potted plant sits on the floor between the two walls. The ceiling is dark with some visible lighting equipment.
